Ever After

**IF SOMETHING
HAPPENS TO YOU,
WHAT HAPPENS TO
YOUR PET?**

Pets are precious members of the family, so the thought of losing them is dreadful.

But what if they lose us first?

RSPCA NSW believes that safeguarding our pets' futures is vitally important and a fundamental requirement for any responsible pet owner. Having a plan in place for your pet provides great peace of mind and secures their health and wellbeing if you were to become permanently incapacitated or pass away.

Trusted family or friends who can, and are willing to take on your pet, are always the best option – but if that choice is not available to you, RSPCA NSW can help.

Our Home Ever After program is a tailor-made future care plan for your beloved pet, should something happen to you.

How Home Ever After works

Our Home Ever After Program Coordinator works with you to develop a Pet Profile. This covers everything we need to know about your pet, including their likes and dislikes, favourite toys, food, sleeping habits, medical needs and everything in between – all those unique details that only you would know.

That way, should we ever need to rehome your pet, we can do so using the information provided by the person who knows them best – you!

If something happens to you, this is what we do:

- 1 Your pet is taken into immediate care and checked by an RSPCA veterinarian
- 2 We use the information that you have provided to search for their new home
- 3 Your pet's welfare is monitored by RSPCA for the rest of their life

Can I enrol any animal on the program?

We mainly focus on dogs, cats and pocket pets. However, other animals will be considered upon request. Unfortunately, we cannot consider exotic pets such as parrots and reptiles due to their special care requirements.

If you have bonded pets, we will do everything we can to ensure they are rehomed together.

How much does it cost to enrol my pets?

We don't ask for payment for this service, but respectfully request that a gift in your Will be made instead.

Your gift ensures that RSPCA NSW can continue to provide vital care to vulnerable animals across the state, and community programs to pet owners in need.

“Thank you for providing such a valuable service. I can't tell you how much this means to me.”

– Susan, Bowral

“Thank you so much. I can sleep at night now knowing that, if something happens to me, Millie will be looked after by the Home Ever After program.”

– Alisa, Charlestown
